UNOPOSED MOTION TO CONTINUE STATUS CONFERENCE

The Court held a video status conference on March 22, 2021, at which time the parties advised the Court as to the case status. The Court set another video status conference for May 17, 2021. Defendants move for a continuance of the May 17 status conference. Additional time will allow Defendants to complete their internal coordination, and will allow time for consultation among the parties as to appropriate further proceedings.

In order to avoid preexisting commitments of the parties' counsel, Defendants request that the status conference be continued to a time that is convenient for the Court on any of the following dates: June 10, the morning of June 11, June 14, or June 15. With this scheduling consideration, Plaintiffs do not oppose this motion.

Respectfully submitted this 14<sup>th</sup> day of May 2021.
